

## Exclusive Warranty

Wolf Creek Window and Door Solutions Ltd.

[www.wolfcreekwindows.ca](http://www.wolfcreekwindows.ca)

Wolf Creek Window and Door Solutions Ltd (referred to as Wolf Creek) warrants all install procedures to be installed and sealed with the best available method.

Caulking can and should be painted once cured. Painting prevents yellowing and helps reduce dust collecting in the caulking.

Stain grade wood doors (exterior or interior) supplied by Wolf Creek and/or by others must be treated, stained, painted, finished, stored, and handled as per manufacturer specs. Wolf Creek does not warranty any product that has been painted or stained or other wise even when done by the original manufacturer or vendor. Wolf Creek does not warranty stain grade wood doors if at any time they become warped, twisted, bowed or if any other natural wood defect happens during or after the install. Wolf Creek does not warranty any product or install that may have been affected by negligence (determined by Wolf Creek Window and Door Solutions Ltd).

Product (windows, doors, glass) warranty is as per the manufacturer/vendor. Should product need to be replaced from manufacturer or vendor the labour to do so is chargeable to the customer. Should parts need to be replaced from manufacturer or vendor the labour to do so is at the discretion of the vendor.

Wolf Creek Window and Door Solutions Ltd warranty's the install and workmanship for 5 years to the original purchaser.

Rotten wood repair is not the responsibility of Wolf Creek Window and Door Solutions Ltd unless otherwise noted.

Warranty will not be honoured if there is an outstanding or overdue balance.

Wolf Creek Window and Door Solutions Ltd.
