**Build Date:**

## Warranty

### **Double Sealed or Triple Sealed IGU's, 10 Year Guaranty**

VITRALITE INDUSTRIES INC. does hereby warrant, subject to the terms hereof, that for a period of Ten (10) years from the date of manufacture being the date noted above as the Build Date (the "Warranty Expiration Date") that material obstruction of vision resulting from dust collection or film formation on the interior surface of **our** insulating glass (the "Product") will not occur (the "Warranty"). Coverage pursuant to this Warranty shall only apply where the Product is used under normal conditions, which, for the purposes of this Warranty shall mean:

- (a) A sealed unit is installed per the FIGA installation guidelines and in FIGA certified frames; and
- (b) There should be no oil-based varnishes or solvents used on the wood frames

Further, the following are not covered by this Warranty:

- (a) Customers' who provide their own glass, more clearly, glass not supplied by VITRALITE INDUSTRIES INC. at time of production;
- (b) Glass breakage of any kind;
- (c) Scratching or marking over than as a result of dust collection or film formation;
- (d) Damage caused by careless handling or improper installation;
- (e) Insulating glass installed in watercraft, land vehicles, trailers, solar collectors, commercial refrigeration units;
- (f) Insulating glass installed in areas with excess humidity such as in close proximity to swimming pools, hot tubs, or similar facilities;
- (g) Any units used on a wall sloped more than 15 degrees off vertical unless the glass units are manufactured using silicone seal and the glazing system has been designed to completely repel water; and/or
- (h) Labour costs associated with any work pursuant to this Warranty or scratches by others is not covered by the Warranty. **Labor costs** of any kind are not covered by the Warranty.

For coverage pursuant to this Warranty, the insulating glass unit must be installed in accordance with I.G.M.A. installation instructions per FIGA's installation certification program. More details can be found at [www.installationmasters.com](http://www.installationmasters.com). In addition, any coating or films applied to the insulated glass by anyone other than VITRALITE INDUSTRIES INC. will void this Warranty.

In the event of a claim pursuant to this Warranty, replacement insulating glass will be delivered (product only) to the F.O.B. shipping point in Canada that is nearest to the original place of sale. VITRALITE INDUSTRIES INC. may, at their option, refund the original purchase price of the insulating glass rather than the supply replacement product pursuant to this Warranty.

The Warranty covers original product and replacement product only up to and including the Warranty Expiration Date of the original product purchased that this Warranty is issued in relation to and does not apply to replacement product provided hereunder.

This Warranty will not be available to any customer, and VITRALITE INDUSTRIES INC. shall have no liability or obligation to such a customer, where the customer has not paid for the product in full and their account is not in good standing.

No distributor of VITRALITE INDUSTRIES INC., no representative or employee of VITRALITE INDUSTRIES INC., or any other person, except for an officer of VITRALITE INDUSTRIES INC., has the authority to make any warranty, express or implied, that is binding on VITRALITE INDUSTRIES INC. or to alter or to change the Warranty terms contained herein.

This Warranty is governed by the laws of the Province of British Columbia.
